

Reflective Handout: Academic Practice Lab – October 10th

Reflection Questions:

What challenges do I face when writing grant proposals?

What strengths do I bring to my proposal writing?

Proposal Writing Insights

Note the most helpful writing strategies or insights shared during the workshop:

My Research and Application:

My Research Area:

How can you apply these tips to strengthen your grant proposal?

Action Plan

List three actions you plan to take after this workshop to improve your grant writing:

1.

2.

3.

Questions I Still Have

Use this space to jot down any questions or areas you'd like to explore further based on today's workshop. If you are looking for additional guidance or resources, feel free to reach out to BRN at brn.utoronto.ca. We will be happy to explore relevant supports or contacts that align with your research and funding goals.
